### Santa caught copter in '58 to buzz into town

Santa Claus has chosen novel means of transportation to make his long journey from his North Pole home to Antioch. One year he rode in a jeep with an accordion player sitting on the hood.

This year he chose a trusty Antioch fire truck. Maybe next year he'll take the Regional Transportation Authority bus to town.

But in 1958 Santa dropped into town by helicopter. Bill Horton, a local pilot, made all the arrangements for the jolly old elf to land on his airfield on Rte. 173.

IF THAT WASN'T enough, a "specially rigged flat-bed truck" was constructed to bring the old man into town accompanied by the kids who met him, according to an article in the Nov. 27, 1958 edition of the Antioch News.

He was "followed by a caravan of town-people who greeted him at the landing field," the paper reported.

With Antioch's business district decorated with lighted Santa figures and candy canes, it was lighted better and more elegantly than ever before, the News stated.

Santa spent the day at the fire house greeting more than 450 youngsters, giving each a box of candy.

The day of entertainment, which included movies at the Antioch and Lakes Theaters, was sponsored by the Antioch Chamber of Commerce and Industry.

"I BELIEVE THE kids who live in this area are some of the best in the world," Santa told Antioch News reporter Noel Duerden.

In his story, Duerden admitted that "For years I have been believing in what Santa says so I have no reason to doubt him now."

And why did he say Antioch kids were among the best?

"It's because they all behaved so nice in such cold weather Saturday, for one reason," the red-suited man said. "And because they all remembered to ask for something for someone else."

THE MOST POPULAR gifts for children 21 years ago were scientific toys, do-it-yourself toys and dolls, said, "the fellow who ought to know after five and a half hours of talking to them," Duerden wrote.

While electronic and computerized games have taken the stage for Christmas 1979, rockets and missiles were big back when the first earth satellite was sent into orbit by the United States.

"A survey of Antioch stores reveals that rocket launchers and other allied science toys are king this year," according to a Dec. 11, 1958 article. "One store bought 50 rocket pads and was sold out before the owner could say Cape Canaveral."

TRADITIONAL ITEMS, such as toy musical instruments, sports games, fire engines and dolls were popular just as they are today.

But for dolls, "real hair is the thing now," Mrs. Wilma Gibbs of the Gibbs Variety Store told the News in 1958.

Well, if you're on the bus to Antioch next year about this time and you happen to notice an elderly, bearded gentleman in a bright red suit, your conjecture can be confirmed by his knowing smile and round trip ticket for the North Pole.

### To present channelization report Dec. 18

A report on the village's proposal for the channelization of Sequoit Creek will be heard at 7:30 p.m. Dec. 18 at the Antioch Upper Grade School.

Dr. Roy Elmore, head of the water department of Chicago's Harza Engineering Co., was hired by the Antioch Grade School District to study the proposal to ensure that there will be no adverse affects to the school or its property, said Grade School Supt. Donald Skidmore.

The village has proposed channelization to help alleviate some of the flooding problems along the creek.

The Illinois Dept. of Transportation granted the district's request to delay issuing a permit to the village for channelization pending the results of the study.

### Burglar stopped dead in his tracks

A foot print has led to the arrest of a Round Lake area man who is charged with breaking into the E-M-A Propeller Service on Park Ave.

Daniel Ratzke was charged with the Dec. 8 burglary in which several items were taken, a file cabinet was broken into and papers were thrown about the floor, said Antioch Police Lt. Thomas Fisher.

While the department was investigating the burglary, Ratzke walked in with wet shoes making prints "similar to one found on a piece of paper," Fisher said. The suspect was employed at the company next door.

Later that day he was questioned by the police and his shoes were sent to the Northern Illinois Crime Lab, which determined that the print on the paper and the shoes matched, he added.

Fisher and Ronald Roth arrested the man on a warrant Dec. 17.

## Carmel registration exams to be given

Registration for the 1980 freshman class at Carmel High School will take place Saturday, Jan. 12.

All eighth grade boys and girls who plan to attend Carmel next September must come to the school Saturday morning to register and take a series of ability and achievement tests.

The test results, along with information received from the student's elementary school, will be used by Carmel to schedule the student for next year.

Two buses will leave Antioch for the testing, which will take place from 8:30 a.m.-12:30 p.m.

Bus number one will leave St. Peter's Church at 7:15 a.m. and will leave Prince of Peace, 135 S. Milwaukee, a.m. and will leave Prince of Peace, 135 S. Milwaukee, Lake Villa, at 7:45 a.m.

Bus number six will leave St. Patrick on Wadsworth Rd., Wadsworth, at 7:25 a.m.

The buses are scheduled to be at Carmel by 8:20 a.m. They will be Lakeland buses and the number of the bus will be posted in the window.

The testing will begin at Carmel at 8:30 a.m. No student can be admitted after 8:30 and no further testing date is planned for later in the year.

Each student must bring a \$10 testing fee.

Carmel High School for Boys and for Girls is located near the center of Lake County on Rte. 176 between Libertyville and Mundelein.

It is a Catholic high school with divisions for boys and girls.

The girls' school is conducted by the Sisters of Charity, BVM and the boys' school is conducted by the Carmelite Fathers and Brothers. Both schools have a considerable number of lay men and women on the faculty.

Now in its 18th year of operation, the enrollment totals nearly 1,400 from at least 49 communities within Lake County and neighboring Cook and McHenry Counties and Kenosha County in Wisconsin.

## Esther Aiani thanks AARP fellow workers

by BERNICE BERNAU  
Esther Aiani, president of the Antioch Chapter 387 of American Association of Retired Persons welcomed 200 members and guests to the organizations fourteenth Christmas party that was held at the Country House in Antioch.

Mrs. Aiani was presented with a Christmas corsage from Mrs. Mae Keefer and Mrs. Frances Winiacki in recognition of her services to the Chapter.

Richard Daniel, senior vice president of the State Bank of Antioch and deacon at St. Peter's Catholic Church in Antioch, gave the invocation and led the group in prayer for Dr. John L. Lorang, M.D. of Antioch, who died Dec. 9.

Mrs. Aiani introduced Mrs. Rose Piper of Glendale Heights, state director of Illinois for AARP. Mrs. Aiani was recently appointed assistant state director and will be assisting Mrs. Piper with AARP chapters in seven counties in Illinois.

Thirty-three sixth grade students at St. Peter's Catholic Grade School, presented the program. Sister Mary Roach, principal, made the arrangements and Phyllis Wells, director and teacher,

led the children in their rendition of Christmas carols.

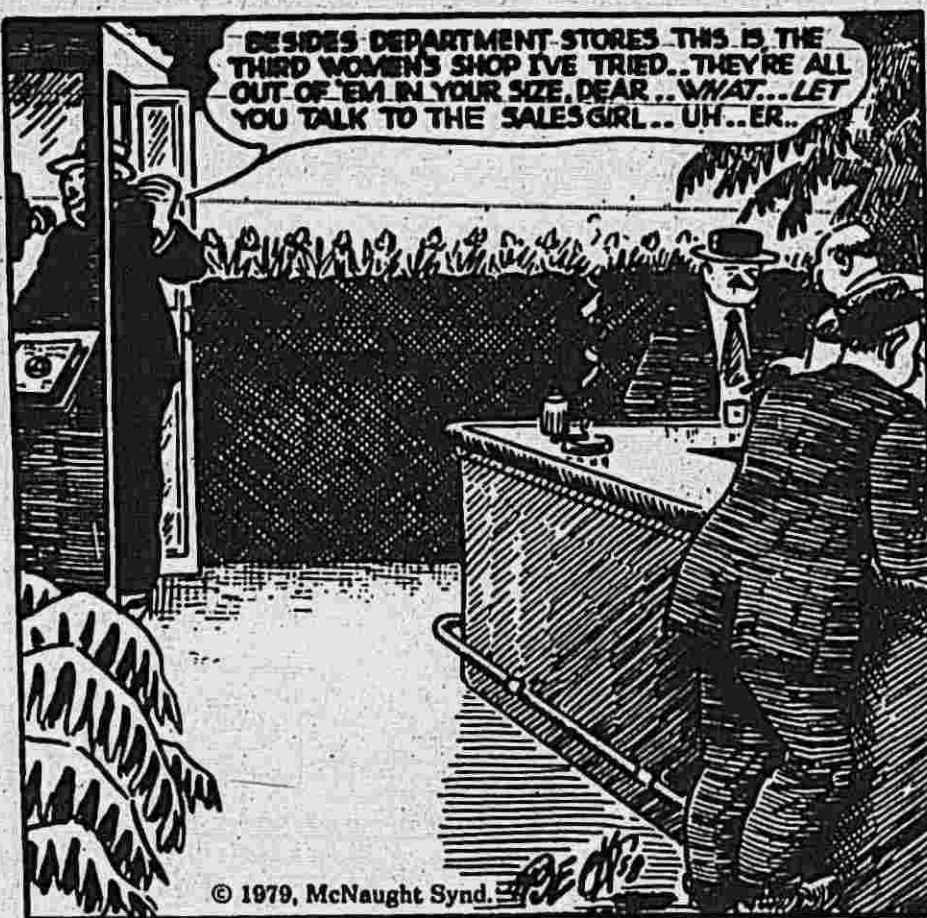

They sang all the old favorites, plus several new ones, including "Boogie With Me," a novelty number. All the older adults enjoyed hearing the youngsters and gave them a standing ovation at the close of their performance. Santa Claus presented each child with a gift.

Mrs. Aiani presented all her officers, board members and committee members with a gift in appreciation for their loyal and unselfish devotion to keep the wheels of the organization turning and for being there when they were needed.

Santa Claus distributed several gifts to everyone that were donated by local merchants.

There will not be any more meetings the rest of this year. The next meeting, Jan. 8, will be a business meeting. Dues for 1980 will be payable at that time.

## Egem says thanks for support

The success of VFW Post 4551's Christmas party for veterans was attributed to the donations made by the people of Antioch.

The cake, cookie and cash donation were greatly appreciated, said Commander Jim Egem.

"You can bet the fellows at the North Chicago Hospital went to bed with their stomachs filled," he said.

Egem expressed thanks to Antioch Drugs, the First National Bank of Antioch, the State Bank of Antioch and Ben Franklin's for their contributions.

"And I also want to thank the Antioch Police Dept. for the protected custody of the cookies," he added. The department accepted responsibility for the contributions which were dropped off in its dispatch room.

## Assessors to receive instructions

A meeting to instruct the township assessors for the 1980 assessment year will be held Friday, Dec. 28 at 10 a.m.

The group will meet on the 10th floor of the County Administration Building in the East Room.

The meeting is open to the public.

Assessment administration information will be discussed with the assessors. They will also be given written directions for the forthcoming year.

## Telephone excise tax is reduced

Here's a reminder from Illinois Bell: The federal excise tax on telephone service will drop from its present three percent rate to two percent on Jan. 1.

This is a further step in the gradual phase-out of the tax — which is being reduced one percentage point per year and will cease to apply after 1981.

Congress first imposed the excise tax on a limited basis during World War I. Although repealed briefly after the war, it was reinstated during the depression and has continued since then on a more extensive basis.

During the 1940s and 1950s the rate was as high as 15 percent on local telephone service and 25 percent on long distance service. From the mid-1950s until 1972 it was 10 percent on most local and long distance services. In 1973, and each subsequent year, the rate has been reduced by one percentage point.

### VACATION HOURS

# Miss Illinois to attend Miss Antioch Pageant

Marlo Good, chairman for the Miss Antioch Pageant sponsored by the Antioch Chamber of Commerce and Industry, has announced that the reigning Miss Illinois, Elizabeth Russell of Pekin, will be appearing at the Miss Antioch Pageant scheduled for Saturday, March 29, at the Antioch Community High School.

Miss Russell is a 20-year-old junior at Lawrence University Conservatory of Music with a double major in vocal performance and music education. For her talent presentation at the Miss Illinois Pageant in Aurora and the Miss America Pageant in Atlantic City, she performed an operatic aria. She was a preliminary swimsuit winner in state pageant competition.

At her local pageant in Peoria, she won a \$2,000 college scholarship. As Miss Illinois, she received a \$4,000 scholarship and by virtue of her participation in the Miss American Pageant, she received a \$1,000 scholarship for a grand total of \$7,000 in scholarship awards.

Since the Miss America Pageant is the largest scholarship program exclusively for women in the world, volunteers will be contacting all businesses and organizations for donations on the local level. The program is part of a national non-profit organization whose only beneficiaries are the pageant contestants.

"The Chamber of Commerce needs the community's support, financially and physically," Bill Groeninger, co-chairman of

the Miss Antioch Pageant said. "This is a worthwhile endeavor both for the community and for the young ladies participating. The winner and runner-up will receive scholarships."

Applications for the Miss Antioch Pageant are available at the Chamber office, 880½ Main Street, Antioch. Candidates, businesses or organizations interested in further information may call at 395-3381, or may contact chairman, Marlo Good 395-2465, or Bill Groeninger 395-2700.

# Plan industry directory

At the Dec. 12 Chamber of Commerce Industrial Committee meeting, members discussed ideas concerning the printing of a local industry directory.

"The purpose of the directory will be not only to inform people of what industrial services are in the area, but also to make each industry aware of what others are doing," committee chairman Bob Taubitz of Regal China said.

The committee plans to distribute questionnaires to area industry in hopes of encouraging communication among industries and eliminating purchasing problems. "A brief profile of each industry would allow other industries to compare and know some of the programs and problems others face. Also, maybe it would help someone that, let's say, needed to order shipping materials. I may order 1,000 corrugated

boxes while someone else may only need three. If we combined an order, it would financially help the company that didn't need as many boxes," Taubitz said.

Next year should see some interesting advances in the area of industry in Antioch. The committee discussed the possibility of initiating programs to get employees to spend their money in Antioch, and also to have services for employees to use.

"Many of industry's employees come from outlying areas. There have been thoughts of having a bus service going into Wisconsin to accommodate some of these people," Taubitz said.

The committee plans the distribution of the questionnaires before the first of the year so that the findings of the survey can be discussed at the next meeting.

## To journey through Bethlehem

The church school staff and students of the United Methodist Church of Antioch would like to invite the public to share in their "Journey to Bethlehem" Sunday, Dec. 23 at the church.

The pageant will be presented during the regular church school hour of 9:15 to 10:15 a.m. and will be open to the public from 3 to 4 p.m.

This is a chance to experience life as it was lived in Jesus' day. Wesley Hall has been used to recreate first century Bethlehem. There will be various shops — a bakery, a potter, a carpenter, a weaver, a synagogue, a dwelling, the village well and the creche.

The villagers will be portrayed by the Sunday school staff and students, dressed in historically correct garb.

Continuing through Dec. 24, shoppers at Hawthorn Center will find a Gift Wrapping Service on the lower level in the Lord & Taylor Court of the Vernon Hills mall.

There will be a nominal fee for this second annual project for the Lake County

Unit of the Cancer Society and all proceeds from the Gift-Wrapping Service go to the American Cancer Society to support their programs of research, education and service to cancer patients.

Mrs. Brook, explained it is not difficult to find volunteers even at this time of year, saying, "Apparently they look forward with pleasure to this seasonal fund-raiser. Hawthorn Center hopes, as I do, that last minute shoppers will keep our volunteers wrapped up in their work, from now through Christmas Eve."

Gift wrapping service hours are Monday through Saturday, noon to 9 p.m.; Sunday, noon to 5 p.m. and Dec. 24 from noon to 4 p.m.

## Along the way with ANNIE MAE

Oakwood Knolls residents got a special treat — Santa drove through their subdivision in a Furlan's Dugout pick-up truck.

The truck also stopped at the Country House to wish everyone good cheer. Heard the old man led the gathering which ensued in a few of his favorite songs. You can bet I was singing along to "Rudolph the Red Nose Reindeer" when he climbed up on that stage.

MAYOR MICHAEL'S PARTY was great fun, I heard. He described it to Antioch News reporter Jane Polzin as "very nice," but I heard it was an all out bash. Did anybody have a rough time getting up the morning after?

Chatter, fellowship and lots of good food were enjoyed by about 25 people who attended a caroling party at the home of Ron and Mary Kaye Giebelhaus. Their delightful music rang through the community giving holiday cheer.

We've got a lot of young people in this community who deserve recognition and Kathy Oddsen and Jim Sertic are two of our finest. They've been chosen Outstanding Boy and Girl of the Senior Class at Antioch Community High School.

HAPPY BIRTHDAY to true blue Ron Allen of the Antioch Police Dept. Whoops — with another year I seem to have gotten a bit (a very small bit) more forgetful. I forgot the birthday of Joe Sterbenz Dec. 6. Hope you had fun, Joe!

Dave Gutowski is visiting family and friends for the holidays from California.

He's here for just a short visit and everyone can't wait to see this popular young man who is now living and working out in the Golden State. Dave graduated from ACHS last June.

Miss Antioch, Lillian Foreman, has made two special appearances.

Lillian has taken time out of her busy schedule to bring Christmas cheer to others. On the 16th she went to the Great Lakes Naval Base, along with Miss Illinois and other local queens. They entertained the audience with their talents.

Lillian portrayed a slave girl telling a ghost story. She also entertained at the Downy Hospital Christmas Party for the veterans. She presented her dramatic presentation, "The Hairy Toe" once again.

"If anyone would like to do a little something at Christmas time, take a few minutes out and give a needy person some help in your own way," she advises, wishing everyone a very merry Christmas.

Rodney and Corinne Torrence (nee Lubkeman) gave birth to an eight pound nine ounce baby boy Dec. 9. Little Joseph was born at Johnson Memorial Hospital in Buffalo, Wyo. Corinne is a former Antioch resident.

Joseph's maternal grandparents are Mr. and Mrs. Victor Lubkeman and his paternal grandparents are Mr. and Mrs. Wilbur Torrence, both of Buffalo, Wyo.

Perhaps you'd like to drop them a note of congratulations at 190 W. Hogerson, Buffalo, Wyo. 82834.

The Antioch Community High School Student Council made plans for the distribution of food baskets this weekend to needy families for its Christmas project.

The council collected money from the student body to prepare the baskets containing a lovely variety of food items.

Belated birthday greetings to Laura Stewart of Antioch and many, many more happy returns of the day!

## CTEP increases patrols

Capt. James Murphy, District Commander for the Illinois State Police, District Two at Elgin, has released the Concentrated Traffic Enforcement Program (CTEP) figures for October.

The program utilized 574 patrol hours with 1,382 enforcement contacts being recorded. There were 338 violations for speeding, other moving violations, 156; and equipment and other miscellaneous violations, 871.

Additionally, there were 12 motorists assisted, one accident investigated, and five criminal arrests. The 1,382 enforcement contacts in 574 manhours provided one enforcement contact every 24.9 minutes of patrol.

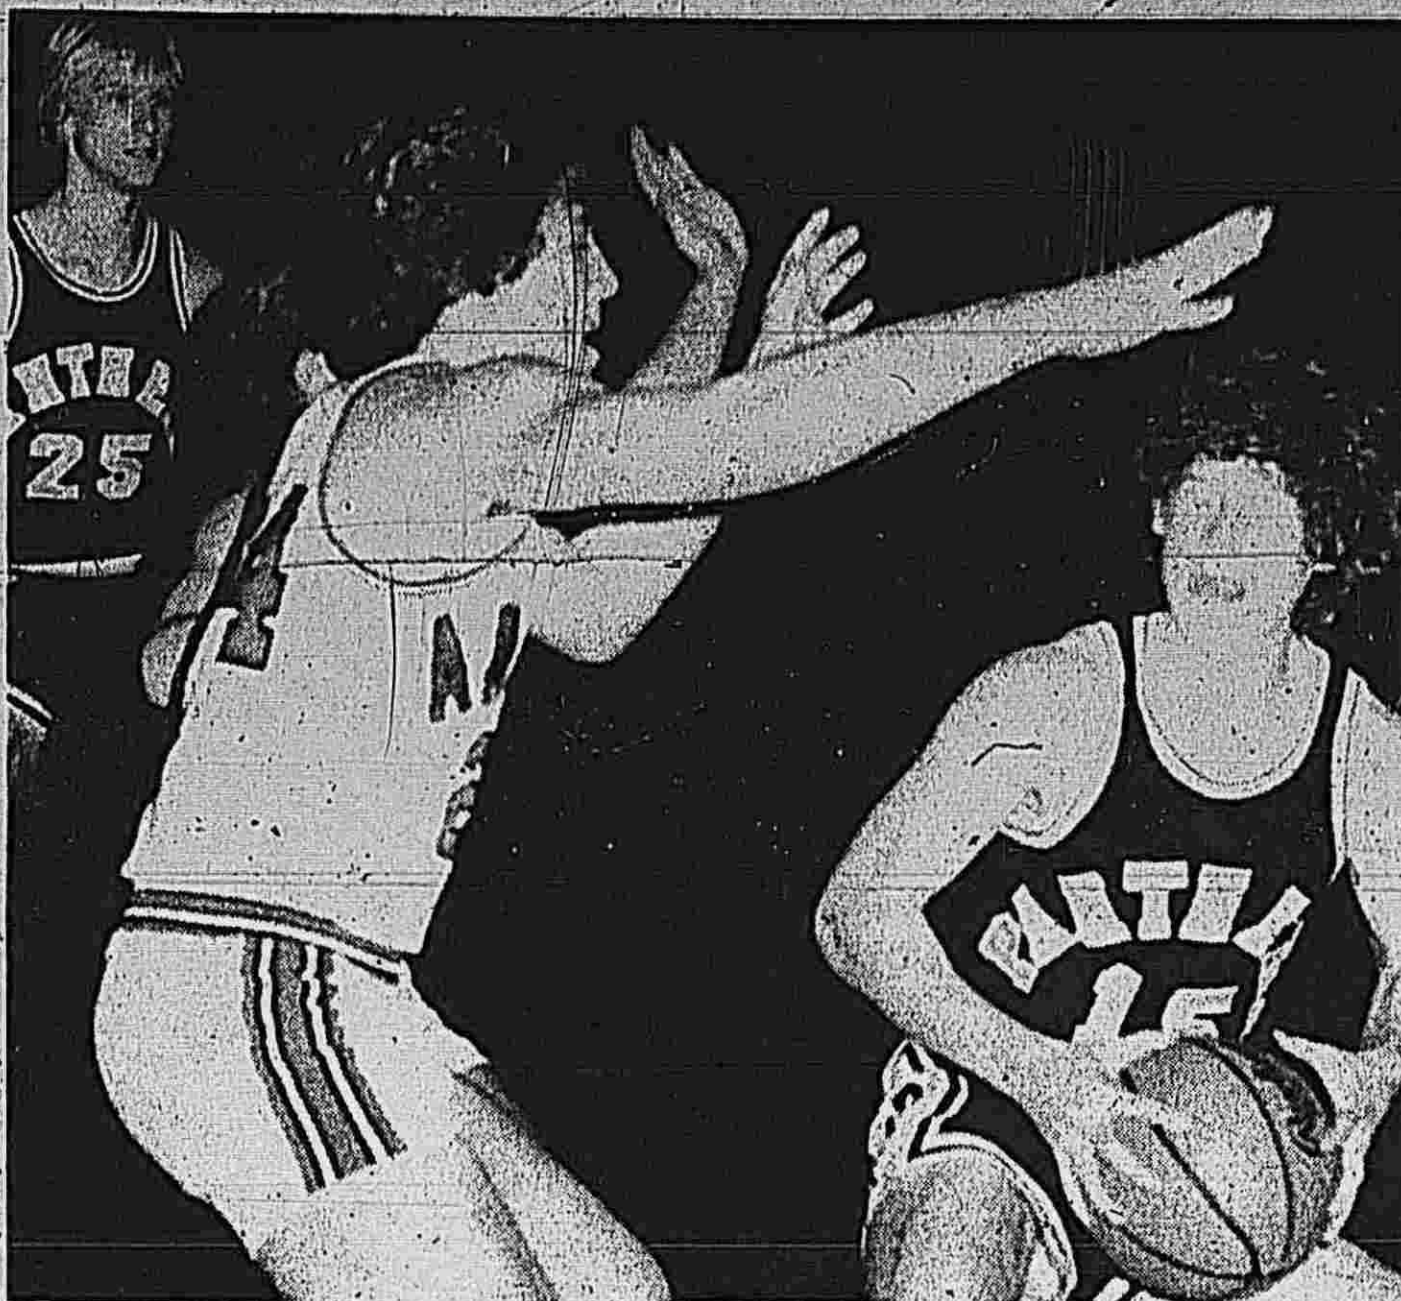

CTEP was made possible through a grant obtained from federal authorities and the Dept. of Transportation. State Police officers are asked to participate in this program on their off-duty time and are compensated with the grant funds.

CTEP's goal is to reduce the number and severity of traffic accidents at specific locations and times where the Dept. of Transportation has indicated from past experience that accidents are most likely to occur.

The CTEP patrol locations in District Two were selected using Dept. of Transportation accident statistics in addition to the District Commander and his respective staff's recommendations.

During October, CTEP patrols in District Two encompassed specific problem areas in Lake, McHenry, DeKalb and Kane Counties.

In Lake County they were: Rte. 173 from Rte. 131 to U.S. 41; Rte. 131 from Rte. 173 to Rte. 132; Rte. 132 from Rte. 131 to U.S. 41; and U.S. 41 from Rte. 132 to Rte. 173.

## Antioch places fifth in wrestling tourney

Sixteen wrestlers from the Upper Grade School wrestling program traveled to Tinley Park to participate in one of the top-rated tournaments in the state Dec. 9.

The Tinley Park Invitational was comprised of sixteen teams, many of whom placed very high in the team standings of last year's state tournament.

Six Antioch wrestlers won trophies for placing in the tourney. They are Andy Lehn, 145 pounds champion; Tim Prining, 170 pounds second place; Jim Geier, Heavyweight, second place; Steve Case, 112 pounds, third place; Chris Buxton, 185 pounds, third place and John Weldin, 118 pounds, fourth place.

Dave Lear, a seventh grader wrestling at 95 pounds, won his first two matches but then lost in the semi-finals. Ken Sandrik at 70 pounds won his first match with a pin in the second period but then lost his next encounter.

For some of the Antioch wrestlers this was their first exposure to competitive matches and for so early in the season all showed great promise, a spokesman said.

### Nominations to close for outstanding citizens

The committee was also pleased to announce that a substantial increase in nominations from the local community has been received.

Here are the guidelines. The nominee should be an individual who stands above his/her contemporaries. The person nominated must be between the ages of 18 and 35 years, must either live or work in the greater Antioch area, except the outstanding farmer which is county-wide.

# Lulofs and Leland start for Deerfield

Neal Lulofs and Randy Leland, 1978 graduates of Antioch Community High School now attending Trinity College in Deerfield, played in the N.C.C.A.A National Soccer Championships at Messiah College in Grantham, Penn. Trinity finished second in the nation, losing in the championship game to Houghton College of New York.

Leland is the son of Mrs. Sharon Leland, Antioch and Lulofs is the son of Mrs. Cornelius Lulofs of Antioch.

Leland started every game for the Trojans as halfback, while Lulofs started the first 11 games as center fullback before injuring his knee. The championship game was Lulofs' first game in over a month, less than two weeks after his cast was removed.

Randy and Neal tried in vain to start a soccer team in Antioch throughout their four year high school term. Eventually, with the help of Lulofs' father Cornelius and Sue Koppa, former director of the Antioch Parks and Recreation program, a club was started and coached by Cornelius in their junior year.

The team played year round in both indoor and outdoor games. Despite their inexperience, the Antioch team captured the 1977 Great Lakes Summer League title in their first year as a team, losing only one game.

Unfortunately, due to the untimely death of Cornelius "Casey" Lulofs in an automobile accident, Antioch had no soccer program this year. Casey was a professional soccer referee and president of the National Intercollegiate Soccer Official Assn., Greater Chicago Chapter and the Illinois High School Soccer Referees and area clinician.

At the recent soccer convention held in Harrisburg, Pa., the National Intercollegiate Soccer Officials Assn. was pleased to posthumously award Casey

its award of recognition for his outstanding achievements and many contributions to the betterment of intercollegiate soccer.

Dr. Raymond Bernabei, executive director, stated in his letter to Casey's wife,

Mrs. Gwen Lulofs, that the award is a small token of appreciation for the many contributions he made towards better soccer officiating and it is significant to note that Casey is one of eight selected nationally.

## Sequoit Gymnasts even up standings

After losing the first two meets of the season to competitors from Mundelein and defending conference champs, Wauconda, the Antioch Sequoit gymnasts have changed their record to 2-2 overall, 1-1 in conference with two wins over Warren and Woodstock High School.

Over the Christmas holidays, Antioch will face two non-conference competitors, Lake Forest and

Crown High School before resuming conference meets in January.

This year Antioch hopes to improve on last year's second place finish in conference, a spokesman said.

Strong performances by the following gymnasts have contributed to the team's winning scores.

# Red Cross funds short

Antioch is part of the American Red Cross's nationwide campaign to raise \$15 million needed to replenish depleted funds for disaster relief.

The three-month period, July to September of 1979, was the most turbulent American disaster season in recent history. The American Red Cross has spent more than \$23 million since the beginning of its fiscal year on Hurricanes David and Frederic, Tropical Storm Claudette, tornadoes, floods and fires, exhausting the year's budget and leaving slightly more than \$2 million in reserves.

Red Cross faces the balance of this year, until June 30, millions of dollars short of disaster relief funds.

"The disaster fund must be replenished," said Grover J. Hansen, chairman of the American Red Cross, Mid-America Chapter. We still have to be ready in the event of another severe winter, spring floods or early summer tornadoes. Red Cross must be prepared to meet emergency needs of disaster victims who will need our help."

Thousands of friends and relatives of metropolitan Chicago area residents have had their lives affected by Hurricanes David and Frederic and other disasters. Many of those persons affected were aided by Red Cross disaster specialists who were on the scene to provide food, clothing, shelter, counseling and other relief services.

Since July 1 of this year, there have been 21 national disaster relief operations. Red Cross funds were spent for preparedness, to furnish food and shelter to 453,331 victims and emergency workers and to give assistance to 70,688 individual families.

Based on experience during the past five years,

the Red Cross can expect to spend approximately \$16.5 million on relief operations during the Oct. 1-June 30 period.

The American Red Cross is depending on the public's continuing generosity and support to help keep Red Cross ready to respond to disaster during the remainder of the fiscal year.

Tax deductible contributions to the American Red Cross emergency disaster campaign may be sent to the Mid-America Chapter, American Red Cross, 43 E. Ohio Street, Chicago Ill. 60611. Checks should be made payable to American Red Cross and marked for disaster relief.

### INSURANCE INFORMATION

With the end of the year here, I am getting papers, etc., in order. I was wondering how often I should review my insurance coverage?

The end of one year and the beginning of another is a good time to review financial situations and planning, both for the present and for the future. Insurance coverage also needs to be reviewed anytime your financial situation changes. If you receive a considerable pay increase, an inheritance or suffer a financial loss it's time to look over your insurance coverage. As your family grows or your financial outlays change, present needs and future plans will need to be revised. These are the times to make good use of your insurance agent by letting his knowledge work for you.

# Sequoit cagers start on comeback with big wins

The Antioch High School varsity basketball team took a while to get on track, but the Sequoits are rolling now with two straight wins.

The Sequoits demolished Round Lake 87-45 Dec. 14 and came back to post a 59-57 non-conference win over tough North Chicago Dec. 15.

Antioch was to travel to Wauconda Dec. 18.

Mundelein comes to Antioch for an 8 p.m. non-conference battle Friday, Dec. 21.

"IT SHOULD prove rather interesting," said Roger Andrews, Antioch head coach of the battle with the Mustangs.

"We should have momentum going into the game," he explained. "It'll be a big game and we'd like very much to win it."

"We haven't seen too much of them," he added. "It's kind of an unknown quality game. Sizewise, we

should have the advantage."

The Sequoits open in the Rockford Holiday Tournament against Rockford Boylan at 7 p.m. Wednesday, Dec. 26. Should they be victorious, they would play at 2 p.m. Friday, Dec. 28. Should they lose, they would play at 9:30 a.m. Thursday, Dec. 27.

"THEY'RE NOT very big," Andrews explained of Boylan. "They're very young, a lot of juniors and seniors. They're off to a low start."

Ron Nauman led the Sequoits with 30 points against Round Lake as he had an "outstanding" shooting night, hitting 15 of 17 shots.

John Ploss started his first game and responded well, scoring 14 points, blocking seven shots and leading the team on the boards with nine rebounds.

Mike Pramshafer had a dozen points and Kurt Selack

added 10 for the other Sequoits scoring in double figures.

Pramshafer and Mike Anderson were singled out by Andrews for playing "exceptionally well" overall.

"WE PRETTY well dominated the game," Andrews stated. "A big factor was a lot of pressing man to man defense. We used our size to dominate the boards. We shot real well and got the ball inside."

The Sequoits blazed the nets shooting 63 per cent from the field on 38 of 58.

At North Chicago, the Sequoits handed the Warhawks their sixth loss in five years in their own gym as hot shooting again aided Antioch.

"They hard to beat anytime, especially in their place," Andrews said. "We played exceptionally fine. We've started playing like we're capable of."

"Everybody played real

solid and steady," he commented. "We got an eight point lead after the first quarter and we kept it in control and we were shooting well."

FOR THE SECOND night in a row, Antioch burned up the nets, this time at a slightly cooler 50 per cent.

"They battle very hard," he said of his team. "They played a full court man to man defense, as we did. Mike Anderson and Pete Weber handled the pressure well."

Selack and Nauman each had 14 points to lead Antioch with Pramshafer putting in a dozen.

Del Maras came off the bench and did "a good job" offensively and defensively for Antioch. He and Ploss had nine points each to add to the "nice balance" of the Antioch scoring.

"I was real pleased," Andrews concluded. "It was a real good outing."

# ACHS bowlers win 1, lose 1

The week of Dec. 10-14 found Antioch Community High School A Varsity Bowlers losing to Stevenson three to one and winning over Woodstock 13 to one.

The ACHS girls experienced "the agony of defeat" when they succumbed their 1609 pin total to Stevenson's 1674. The Varsity Sequoits (Cindy Toole, Janie Jorgensen, Lisa Holmes and Jill Levoe) admitted that they did not perform well Dec. 10, against Stevenson... that they were unable to get their "act together" throughout the three games, a spokesman said.

Because Stevenson has only one team "A", the ACHS Jr. Varsity C Squad did not compete in that event.

The result of the Dec. 13 non-conference match between Woodstock and Antioch was a victory for both the A

and C teams of the Antioch Sequoits.

The A squad (Cindy, Janie, Lisa and Jill) managed to defeat Woodstock 3-1 even though each gal bowled below her average (ACHS 1639 - Woodstock 1490).

The Antioch C squad (Sheri Weber, Diane Applehans, Lori Meyer and Donna Schmehl) experienced the same type of victory as their fellow A squad members in that they won the 4-0 match while bowling below their averages (ACHS 1631 - Woodstock 1432).

The Sequoits record as of Dec. 13 is A Varsity Squad, 3 wins, 2 losses; C Jr. Varsity, 4 wins, 0 losses.

The next bowling events for the Sequoits are Dec. 17, ACHS vs. Grant, Dec. 19, ACHS vs. Round Lake and Dec. 28 Thornridge Tournament.

# Freshmen netters dump Round Lake

Antioch's freshman basketball team kept its conference record unblemished by dumping Round Lake 55-32.

The freshman are now 3-0 in the conference and 3-1 overall.

Tim Hartokolis led the team in scoring with 15 points and in rebounds with

14. Antioch had complete control of the boards, grabbing 42 rebounds to only 13 for the Panthers.

Tom Anderson was second in scoring with 12 points and also second in rebounds with eight. Derek Olson, Kevin Kovach and Chris Becker each scored six points and Becker nabbed seven

rebounds. Craig Sheedlo and Brad Herbst chipped in four points each.

Antioch is host for an eight-team tournament Monday, Wednesday and Thursday nights, Dec. 17-20. The freshmen travel to Mundelein for a non-conference game Saturday, Dec. 22.

# Girls' basketball players rally to win by one point

The Sequoits defeated Mundelein 42-41 in the season opener for the Antioch girls' varsity basketball team Dec. 13.

Trailing throughout the game, Antioch took the lead in the fourth quarter and went on to win.

Leading Antioch in scoring was sophomore Tracy Manuel with 18 points. High rebounders for the Sequoits were Tracy Manuel and Kathy Oddsen with 11 and 12 rebounds respectively.

The outstanding defensive player was junior Rosalie Aschbacher.

In other non-conference action the girls' varsity Sequoits defeated Zion-Benton 56-54. Antioch maintained a lead throughout the game.

But late in the fourth quarter, Fay Smith from Zion, stole the ball and made a layup to tie the score at 54. Antioch player Kathy Bailey caught the in-bound pass and took it in for the final basket and the win.

High scorers for Antioch were Kathy Bailey and

Kathy Oddsen with 14 points each. Outstanding rebounders included Tracy Manuel and Kathy Oddsen with nine

each.

Antioch girls' basketball team travels to Lake Forest Dec. 18. Game time is 6 p.m.

## The Time Machine

50 YEARS AGO: DEC. 19, 1929

Able to see but a short distance ahead of him through a snow-frosted windshield in yesterday's blinding blizzard, Irving Bower accidentally knocked down Frank Comforti who was standing on the left side of a machine offering his assistance in pushing it out of a drift.

Bower put the victim, who was unconscious, in his truck with the idea of taking him to the office of Dr. Fletcher, but due to severe snow drifts he was able to go no farther than the Cewes stock farm. Here he communicated with the doctor; in a few minutes the physician arrived and took Comforti to his office where it was discovered the man was suffering from a scalp wound and painful bruises.

Taking pity on the cattle which were in the large Graham truck Comforti was driving, neighbors unloaded the cattle and put them in their barns until the victim was able to go on.

A total of \$25,583.52 has been collected by the state on the estate of Lyman J. Gage, former Secretary of the Treasury and well-known publisher who died a year ago in San Diego. Lyman J. Gage was a cousin to Eli Gage, an old settler in Antioch and also a cousin to Mrs. Addie Williams.

The Gage family of pioneers here did much for Antioch in its early day and they are well remembered by the older citizens.

Secretary of State William J. Stratton may be a candidate for governor of Illinois in 1932, according to reports from a Chicago daily newspaper.

The fate of the \$78,000 bond issue proposed for the purpose of erecting a school building will be voted upon by the Grant Community High School district which includes the Fox Lake and Ingleside area.

**KIDDIES, ATTENTION!** Don't forget to come to the community Christmas tree at seven o'clock Christmas Eve. Santa wrote Mr. H.J. Vos that he will be here with a full pack of candies and oranges and Mr. Vos has asked every kiddie in the community to be on hand to get his share.

Tell daddy and mother to come too. Santa wants everybody to enjoy the tree and join in the carol singing.

30 YEARS AGO: DEC. 15, 1949

James W. McMillen (Jim to his fellow townsmen) will take office as president of the village board next Tuesday.

Antioch has taken on a Yuletide atmosphere. The village put up the colored lights on Main St. and the stores will be opening evenings starting tomorrow night.

Hugo L. Schneider, Jr., chief deputy and cashier in the Lake County Treasurers Office, today announced his candidacy for Treasurer.

If the Yanks who gave were to depend on the gifts made in Antioch, so far they would have a mighty slim Christmas. Receptacles placed about the business section of the village are not being filled very rapidly, according to Morris Verkest. He asked that people remember the veterans in hospitals through generous giving.

10 YEARS AGO: DEC. 18, 1969

The superintendent of the Lake County Illinois Highway Dept. for the past 20 years, M. E. Amstutz, has submitted his resignation. Amstutz received a standing ovation from the board when his brief letter of resignation was read and reluctantly accepted.

John Bonner, Lake Villa, will show color slides and tell of his experiences and observations while living and working on several farms in Germany the past six months. John was one of the six Illinois delegates participating in the 1969 International Farm Youth Exchange Program. The public is invited at 7:30 Dec. 29 in the Fair Grounds Auditorium on the Lake County Fairground.

## Richmond Pioneers plan Christmas party

by BETH RIECK

The regular meeting of the Pioneer Senior Citizens Club of Richmond was held at noon, Tuesday, Dec. 4, at the Hastings Memorial Temple in Richmond.

After a prayer, delicious sandwiches and cake were enjoyed by the 54 members present.

The meeting opened by pledging allegiance to the flag of our country. President Verona Nies asked everyone to fly an American flag each day during the Iranian crisis. She and several others told of seeing flags flown on all poles and homes in several villages and cities.

**AFTER READING** of the minutes and the treasurer's report the program director, Dorothy Ackland, reported on the bus trip to Southridge on Nov. 28. Everyone who went had a wonderful time.

The Christmas party chairman, Frances Heinemann, reported that the party will be held on Dec. 18 and will be held at Orsolini's, Rtes. 12 and 31, south of Richmond.

Social or cocktail hour will start at noon and dinner will be served at 1 p.m. Reservations must be in Dec. 14. If interested, contact Frances at 815-675-2496 and if you live in Wisconsin call Ruth Schmitz at 414-279-5434.

Cost to members is \$3.25 and to non-members, \$5. We are asked to park in the rear

of the restaurant. Each member is asked to bring a non-perishable food item. These items will be donated to the Richmond Community Pantry Cupboard. Those who wish to may also bring a Christmas-wrapped box containing six or eight cookies. These will be given to the rest homes in Genoa City.

IT WAS voted to send a donation to the Richmond Rescue Squad. A donation to Sheltered Village in Woodstock was obtained by taking up a monetary collection at the meeting.

The president appointed the Spring Luncheon Planning Committee which will hold a luncheon April 1. It will be the 10th anniversary of the club, so it is planned to be a special event. Those appointed were Robert and Elaine Leonhardt, Wanda Todd, Carol Guillaume, and Eleanor Scott. She also appointed Arlene London and Beth Rieck to write up the history.

As the next two meetings fall on Christmas Day and New Years Day, there will be no meetings after the Dec. 18 party until Jan. 15. The refreshment committee for Jan. 15 is Tillie Stilling, Agnes May, Josephine LaVertu, Verona Huff, Carol and Frank Guillaume, and Bernadette Schultz. There will be a Tuesday, Jan. 29 meeting.

Social hour was enjoyed after the meeting.

**BEAUTY EXPERT** — Jan Burdick, new owner of Merle Norman Studio located at 478 North Ave. Mall, Antioch, receives company's certificate of achievement from Vice President David O'Connor for her successful completion of training program at company's headquarters in Los Angeles. Portrait in background is that of company's founder, Merle Nehercutt Norman. Jan said, "Developing every woman's maximum potential for beauty is part of the Merle Norman philosophy."

## Burdick opens cosmetic studio

You don't have to be clairvoyant to predict what colors and fashions women will be wearing one year from now. Jan Burdick, new owner of the Merle Norman Cosmetic Studio at 478 North Ave. Mall has the inside information.

In an effort to offer her customers the very latest information on makeup artistry and complexion care, Burdick has just completed an intensive three-week training course at the home office of Merle Norman Cosmetics in Los Angeles.

Included in the special training she received were classes in up-to-the-minute cosmetic and makeup techniques and basic com-

plexion care, as well as advance information on new looks in cosmetics and fashions for next season.

"When a customer first visits my studio, she is given a free demonstration in the Merle Norman method of cosmetic application and skin care. Then I create a custom makeup for her, tailored to her specific needs, to highlight her best features.

"Developing every woman's maximum potential for beauty is part of the Merle Norman philosophy," she says. "For the customer, that means learning how to look her very best. For me, it means helping her do so."
